# new order (ordonnance)

**Art. 6e** **Besondere Bestimmungen für den Sportbereich I** Im Bereich des Sports sind folgende Sportaktivitäten zulässig:

**Sportaktivitäten von Kindern und Jugendlichen mit Jahrgang 2001 oder jünger, einschliesslich Wettkämpfe ohne Publikum;**

*ordonnance du 24/02*

- From 1/03/2021 trainings and competitions for youth born after 2001 can resume if the general rules related to COVID- 19 (hygiene,tracking presences ...) are RESPECTED
- The restart of rugby is organised from U6 to U18 (born before 2003) and the CTE /CTJ have started to work on the "return to game". Competitions for these categories will start again from mid-April in regional formats provided that the clubs resume training and that a sufficient preparation phase (6 weeks) is respected.
- The FSR proposes to organise a new competition to allow U20 players (2001 and 2002) to start training and playing again from April.

# Wich organization ?

- FSR = 105 players born in 2001 and 2002
- ACGR= 13 AVR=49 NSRV= 43
- 2 teams ACGR+ AVR
- 1 team NSRV
- trainings and competitions management by region
- 2 tournaments with the 3 teams on les 17-18/O4 et 24-25/O4
- After 1/O5 U20 players has to train back with senior to prepare the senior' competitions
- Possibility to use players borned in 2003 but only if there is no U18 competition on the same day

# Requirements

- The player welfare: the competition in mid-April can only take place if all the players have had enough training to play safely.
- 6 weeks= 12 mandatory training sessions with the club or region (preparation for contact and full contact)
- The regions (with the support of the FSR) are in charge of finding facilities and trainers and the organisation of good trainings.
